THE ELLIOTT CASE.

Everyone is astonished at the rapidity and thoroughness with, which these pulls do their, work. As one who had tried Them says, "A man feel», after using them, as though he had never enjoyed life before. The Rymai case, in which a paralytic wascured by Dodd's kidney pulls, opened the eyes of the people in this vicinity to the virtues of this requedy.

The shipments of cattle from Montrea, are keeping up pretty well in the face of the embargo; in fact they are decidedly better than was expected at the opening of the season. Up to the present 58,465 cattle flare? been shipped, as compared with 68,120 for the corresponding period last season. All the cattle shipped this year were fat stock. The losses we far have been less than usual, only 41 being reported.

In a sermon to his congregation Sunday, the Roy, V. A. Schneil, pastor of St. Patrick's R.C., church, Zerra Haute, said; Three is great distress in this parish owing to hard times. I have a deposit in the bank which comprises my savings for some years, and added to the pension; get as a Union soldier; this is at the disposal of the destitute so long as it holds out. The sermon caused many persons in the congregation to break into lears.
